### School Description

Redwood Coast Montessori (RCM) is a K-12 public charter school authorized by the Arcata Elementary School District. Based on the Montessori method, students at RCM are offered a rich curriculum that truly values the individual and the natural development of the whole child. Redwood Coast Montessori classrooms provide a carefully prepared environment that is filled with beautiful, long lasting materials that are engaging, age appropriate and pedagogically designed as self-correcting learning tools. Students spend long uninterrupted academic time following their own passion as they work their way through the curriculum. The curriculum is integrated throughout all grade levels and all subject matter in such a way that it allows for mastery of concepts at an individual pace that is appropriate for each child.

The mission of Redwood Coast Montessori is to serve a diverse population of students (TK-12) in the Humboldt County area by providing students with a high quality educational option using the Montessori method.

Redwood Coast Montessori maintains as part of its mission a commitment to a specific vision that emphasizes the needs of the child, the community and the earth. Key values include an emphasis on creating a positive attitude towards school and learning, building a peaceful and cohesive school community, and honoring our environment and our place in the global community.

## About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

ELA	57	N/A	59	N/A	50	N/A
Math	42	N/A	47	N/A	39	N/A

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

### C. Engagement

#### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

#### Opportunities for Parental Involvement (School Year 2020-21)

RCM appreciates and relies on its parent volunteers. We are a community of people working together to develop a unique and inspiring learning environment for our children. A volunteer form goes out to the parent community at the beginning of the year asking for information about special skills, interests, and availability. It is very important that all RCM parents help support and enhance the school through some volunteer activity.

All enrolled RCM families are encouraged to contribute 30 hours of volunteer service to the school for the development of the school and its academic goals.

A variety of service opportunities exist and include the following:

- Development of LCAP and school policies
- Developing classroom materials / special unit studies
- Providing office help
- Chaperoning field trips (when local health risks allow)
- Organizing or working at fundraising events
- Serving on school committees
- Site maintenance/improvements

Volunteer hours can be completed at the school or at home. Parent education nights, fundraising, school events, and parent workdays provide enough additional opportunities to assure a comfortable level of participation. RCM is grateful for the contribution volunteers make on behalf of the school and to the lives of all of our students.

**State Priority: School Climate**

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

**School Safety Plan (School Year 2020-2021)**

RCM has adopted procedures and policies for emergency preparedness, administration of medications, school-wide health policies, background checks, and mandated reporting.

**Suspensions and Expulsions**

(data collected between July through June, each full school year respectively)

Rate	School 2017-18	School 2018-19	District 2017-18	District 2018-19	State 2017-18	State 2018-19
Suspensions		0.7	1.7	1.7	3.5	3.5
Expulsions		0.0	0.0	0.0	0.1	0.1

**Suspensions and Expulsions for School Year 2019-2020 Only**

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019-20	District 2019-20	State 2019-20
Suspensions	1		
Expulsions	0		

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

**DataQuest**

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

**California School Dashboard**

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.
